

Bank closures

I am deeply disappointed by the closure of Bendigo Bank in Kingston. When I complained that my opening an account with them was that it was a 30 minute drive & I do my shopping plus health services etc. in Kingston. Re closure of Kingston branch I was told I could access ANZ Bank for ATM . Which is true that works but if I need Other services I must go to Liverpool St Branch in Hobart.which is another 15 min drive plus car parking cost. I'm questioning why stay with Bendigo Bank. All rather sad as I've been with them for years. Heather Creet.
