

Regional Banking Taskforce

To whom it may concern.

I'm the landlord of [REDACTED] with a population of 1,500.

Very concerned of the town that there's no bank in Redcliffs. I rang and emailed Bendigo Bank to let them know our concerns and opportunity. I had no reply from Bendigo Bank.

Please consider this town for a bank or financial services. As we're in need of one ASAP.

The previous tenant was CBA and when they left, they removed the ATMs.

Many thanks,
Kind regards.
